Melville Cares – Board Member Vacancy
Expressions of Interest - Voluntary role

Melville Cares Inc is a not for profit organisation funded by the Health Department of WA under the HACC program, within the City of Melville. Our aim is to enhance an individual's ability to live independently and participates within the community. This year, we are celebrating 25 years of dedicated service to the local Community.

We are seeking a Board member with corporate experience to advance our strategies and contribute to the future planning of our services, in the rapidly growing Aged Care and People with Disabilities sectors. The role of a Board member is to act as a custodian to the aims and visions of Melville Cares and to latterly consider all aspects of development and strategies in line with addressing the needs of our clients.

A vacancy exits at Board level for a Community minded and passionate professional who is available to join our well established and motivated Board. You will preferably have some depth of experience in your field and be looking to value add to our organisation.
